## A reading from the Gospel of Luke 6:43-45

Jesus said to his disciples, 'Good trees give good fruit and bad trees give bad fruit.

You don't see figs growing on bushes with thorns. No, they grow on fig trees.

And grapes don't grow on bramble bushes, but only on grape vines.

'It is the same with human beings.

People who have a good and kind heart do good things. But people who have evil in their hearts do evil things.

People show what is truly in their hearts and how they truly are by what they do.'

# CAN WE TALK ABOUT IT

In today's Gospel, Jesus spoke about the fruit on trees. Good fruit only grows on fruit trees, or vines.

Jesus is using this example to show that good things do not come from evil, or evil things from good. Only good things come from good sources, and bad things from bad sources.

Jesus is trying to tell us to be good and pure, both inside and out! This means that having good thoughts will lead to having good actions.

Here are some ways that YOU can show your goodness and love to your family and friends:

- Playing Fair
- Being Honest
- Being Kind & Caring
- Smiling at a friend
- Showing respect
- Sharing your toys
